

# CHAMPION PRORACING GP CHAIN LUBE OFF ROAD

The protective properties of this chain lube, which is specifically designed for off-road riding, remain activated thanks to the lubricant's excellent tackiness. Furthermore, it offers great water resistance, minimises wear, and rust and is completely harmless to O-rings.

## APPLICATIONS

This universal lubricant penetrates efficiently into the chain and offers excellent adhesion; making it perfectly suited for all on-road applications.

## FEATURES

Extreme tackiness: sticks to the chain

Water resistance: does not wash away

Chain protection: increase chain reliability by offering rust and wear resistance

## SPECIFICATIONS
