

CHAMPION PRORACING GP CHAIN LUBE

The protective properties of this chain lube remain activated under racing conditions thanks to this lubricant's groundbreaking tackiness. Furthermore, It offers great water resistance, minimises wear and rust, and is completely harmless to O-rings.

APPLICATIONS

This universal lubricant penetrates efficiently into the chain and offers excellent adhesion; making it perfectly suited for all on-road applications.

FEATURES

Extreme tackiness: sticks to the chain

Water resistance: does not wash away

Chain protection: increase chain reliability by offering rust and wear resistance
