

WOLF VITALTECH MULTI VEHICLE ATF

30/10/2025
3010

This is a full synthetic lubricant based on carefully selected very highly refined base oils for automatic transmissions, meeting the requirements of most American, Japanese and European manufacturers.

APPLICATIONS

Its versatile nature guarantees it can be used in automatic transmissions and torque converters for most passenger cars, off-road vehicles and SUVs.

FEATURES

Frictional properties: very smooth gear shifting, no vibration
Anti-wear protection: significantly extended transmission life
Extended oil life: excellent thermal and oxidation stability
