

CHAMPION PRORACING GP BRAKE CLEANER SPRAY

The powerful formula is balanced to remove oil, tar, grease or other potentially harmful substances without leaving any residue. It efficiently restores the braking capacity of the motorcycle by intensively cleaning both the brakes and the callipers.

APPLICATIONS

Spray on the brake parts until all dirt is removed. Collect the removed dirt and the contaminated brake cleaner and dispose as chemical waste. Always cover varnished and plastic surfaces.

FEATURES

Removal of troublesome particles: optimal brake system performance

Cleaning capacity: efficient removal of dirt and harmful substances

Ease of use: clean your brakes within minutes
