

CHAMPION PROPULSE TT 4T 20W50 ESTER

This synthetic blend motorcycle engine oil contains groundbreaking additive technology and ester-based base oils. This lubricant increases both engine performance and protects all lubricated parts completely. This powerful formulation covers a large part of the motorcycle market thanks to its high-end properties.

APPLICATIONS

This four-stroke motorcycle engine oil exceeds the standards of API SN, SM, SL, SJ, SH and SG. It surpasses the requirements set by different manufacturers.

FEATURES

Improved engine, transmission & wet clutch performance.: Improved engine, transmission & wet clutch performance.

Recommended product for touring & daily riding.: Recommended product for touring & daily riding.

Easier fluid management thanks to the oil's broad applicability.: Easier fluid management thanks to the oil's broad applicability.
