

CHAMPION PRORACING GP SILICONE SPRAY

This silicone spray is a general purpose, low viscosity silicone oil in an aerosol.

APPLICATIONS

This silicone spray lubricates metal and non-metal surfaces. For maintenance of plastic parts, rubbers, hinges, locks, household rails, cables, valves and more. Should not be used on parts which are likely to be painted.

FEATURES

Broad applicability: excellent lubrication of various parts

Temperature stability: retains its lubricating properties over a wide temperature range
