

WOLF RACING 10W-60 ESTER

14/04/2025
65510

This PAO synthetic based racing oil is fortified with ester and a precisely balanced component-blended additive system delivering high levels of anti-wear and friction reducing characteristics. This advanced protection is engineered to help deliver optimum horsepower.

APPLICATIONS

This advanced ester based full synthetic oil is specifically designed for racing engines. This high performance lubricant is designed to offer excellent friction reduction.

FEATURES

Total engine protection: performance in keeping the engine clean.
Driving style: racing
